## FREQUENTLY ASKED QUESTIONS

**Q:** Do you share discounts with your clients?

**A:** As a designer and trade professional, my studio receives perks in the form of special discounts. We share these discounts where applicable with our clients. Depending on the vendor, they generally start from 15-60% off of retail.

**Q:** Do you only work with large budgets?

**A:** Large is relative, but we suggest a minimum budget of \$15,000-\$25,000 in order to add all the elements required to elevate and transform your space. After your in-home consultation, we will deliver a proposal that includes an estimated budget specific to your particular project.
